## Summertime Safety For Your Dog

(reprinted from the internet)

### Safe sunbathing

If your dog likes to loll in the sun, soaking up the warming rays, you need to watch that he doesn't become overheated, or even sunburned. It's a good idea to encourage your dog into the shade during the hottest part of the day. Or if he refuses to stay in the shade, perhaps it is safer to keep him indoors for a few hours (say, between 11am and 2pm), and preferably until the temperature has cooled down later in the afternoon.

### Indoor sunbathing

If you allow your dog to 'sunbathe' in a glassy conservatory, or similar area with a lot of windows, make sure that the temperature does not rise too high, and do not leave the dog unsupervised for long periods of time. Also, ensure that the dog can retreat to a cool, shady area at all times.

### Heat exhaustion

Dogs can suffer from heat exhaustion if they are exposed to extreme heat for too long. The symptoms are obvious – your pet will be restless, pant excessively and drool. If the dog is not treated quickly it will eventually collapse and fall into a coma.

If you suspect that your dog is suffering from heat exhaustion, lower its temperature by bathing it in cool - not cold - water and wrap a damp towel around the dog. This is a medical emergency and you must seek veterinary attention immediately.

### Summer food and drink

You need to pay special attention to your dog's food and drink during the summer. On hot days, when they lose more moisture through panting, dogs may drink more than usual so keep checking that your pet has fresh water in its bowl and perhaps put out an extra bowl just outside the back door. Also remember that water will evaporate more quickly from water bowls when the weather is hot.

Make sure that the water is changed frequently. Always remove any uneaten food as soon as the dog has finished eating to prevent contamination from flies, or spoiling due to the hot weather.

When you take your dog for walks in summer, and particularly when the weather is hot, carry some water for your dog, and a bowl. Stop frequently to allow your pet to have a drink.

### Travel safety

Never leave a dog in the car when it is hot, even with a window open. If you have to take the dog to the vet, don't decide to quickly pop to the shops on the way home. Parked cars, even if they are in the shade, can heat up like ovens, and in a very short time dogs will suffer from heat stroke, and may even die.

### DID YOU KNOW.....

**Bee stings** are acid. Remove the sting and bathe the area in bicarbonate of soda.

**Wasp stings** are alkali, and the sting is not left in the skin. Bathe the area in vinegar as the sting is alkaline.

# President's Report

Welcome to the Christmas edition of the Sleigh Courier. Christmas is fast approaching, but the weather does not seem to have recognised this fact yet!! We have however been very fortunate weather wise for the two recent Club events, namely the Snow Dog match and the Open Show. Both events saw the sunshine and a most enjoyable time had by all.

The Snow Dog Match saw Samoyeds competing against Siberian Huskies and Alaskan Malamutes for the Snow Dog title. The event was well attended by all three breeds. It was nice to see some new people come along and partake, namely Sharon Blackwood with Amy and Liz and Andrew Edger with Bjelkier. The judge was Karen van der Meer from Levin. Overall winner was the Siberian Husky but Anita Andrew's boy Skrownek Sev Kazeel (Kael) went Best in Match.

The Open Show saw an excellent entry of 40 in the breed classes and 73 in the stakes classes, thank you everyone who entered and attended the show making the Committee's hard work very worthwhile and obviously appreciated by more than just me. It was particularly nice that Una Gibson, a Club Life Member, came down from Huntly with four of her daughters to watch and support the show. Una had some really interesting stories about her showing days. It was also pleasing to see so many people getting involved with making it all happen and I am referring to non Committee and non Samoyed people here as well as the Committee. Special thanks go to Iris Kauffeld who stepped into steward, Lyn Carleton who took photos for the magazine, Kay Hamer who sorted out the sunshade and Mykel Turner who helped hand out the prizes. The sponsorship received enabled the purchase of some very useful prizes based on a camping theme. BIS went to Elanra Vasna Davodd and it was quite exciting being in the Bus when the Turner family opened up their winnings. All the prizes were nicely wrapped in Christmas paper making it festive. The Samoyed figurine donated by Lauren V de C James for the raffle, was won by a delighted Sue Johnson. The judge, Loraine Sole, was also delighted to receive the Samoyed embroidered towel donated by Paddy Watts.

The last event for 2002 will be the twilight ribbon parade to be held on Saturday 7 December after the BIS judging of the Taranaki All Breeds Championship Shows at the Stratford Race Course. Hopefully the weather will be kind once again and there will be a good entry. This will be a fun event so please come along and join in. All are most welcome.

Next year will see the restart of the SCI Points System and I hope everyone will take part in the vein that it is intended. I have volunteered to be the Points Steward for the first year to iron out any misunderstandings on the rules. Please

remember that the system is there to encourage the exhibiting of Samoyeds at all breed championship shows and for that extra little bit of FUN. Also please remember you need to be a 2003 financial member before judging for the points to count.

Enclosed is the membership form for 2003, hopefully you will continue your membership and encourage others to join the Club. It would be nice to see more listings in the breeders' Directory for 2003.

Merry Christmas and Happiness and Health for 2003.

*Lynne*

# Secretary's Report

On Saturday 23<sup>rd</sup> November we held our Open show in Taupo. A big Thank You to all exhibitors for making this our largest entry of 40 dogs (4 of these dogs were desexed). I have always believed in the NZKC changing the Rules to allow desexed in Open Shows and Stakes because it would increase our numbers at Specialty Shows.

I showed M.J. in the Veteran Class (after an 8 year break from the shows). It was a bit of a mammoth task getting him ready, but I was pleased with how he looked and he seemed to enjoy the weekend away. The weather was lovely although I think there were a few red people the next day. The Show Manager was well equipped with a bottle of sunblock. Simonne and Lorraine did a wonderful job wrapping all the trophies in Xmas Paper. There were comments after the show like ' Go on, open your present so we can see what it is '.

We have approval to hold a championship show on Monday, Queen's Birthday weekend. It will be held at NZKC building in Porirua where the Wellington Kennel and Non-Sporting and Utility Champ shows are on Saturday and Sunday.

The Spitz Breeds club is now organising the Back to School Match to be held at Ashhurst after the Manawatu Kennel Association Champion Benefit Show on Sunday 23 February 2003. The Samoyed Club is organising the Twilight Ribbon Parade to be held at Waipawa after the BIS judging of the Central Hawkes Bay Kennel Society Championship show on Saturday 1st March 2003. These days will be ideal for new owners to come and meet other Samoyed owners and talk over any problems you might be having. If you would like your dog to go into the show but don't want to show it yourself, get in contact with me and I will find someone experienced to show him/her for you.

Keep those Samoyeds cool through the hot months. Just remember a groomed coat with no knots or dead coat is a cool coat that keeps out the heat. Cutting the coat does not make them cooler!! Some grooming places will cut the coat because they don't know much about Samoyeds. The moulting combs are excellent for getting rid of dead coat.

*Anita S*

# Treasurer's Report

Since my last report we have had a number of successful events. Sam lotto has continued to be run at several show weekends and is proving quite popular. The book fundraiser wasn't as well supported as expected but still raised a profit of \$54. A snow dog match day was held with Alaskan Malamutes and Siberian Huskies and a small profit was also managed from this. Unfortunately I could not be at this event but from what I hear an enjoyable time was had by all.

Our latest event was the Open Show in Taupo which seemed to be successful and also enjoyed by all. Special thanks must go to all our sponsors and Bosch, our food sponsor. Lauren donated a beautiful ceramic ornament for a raffle and Sue Johnson was the very lucky recipient. A balance sheet has not been completed yet, but of course hoping we made a profit that we can put towards events for you all in '03. Another raffle is currently in circulation. This is a large bag of dog food (won by Skrownek Sev Kazan at the National Dog Show) and donated by Sandra Stewart. A special thanks must go to Sandra for this very kind donation.

Wishing you all a safe and happy festive season and see you all in '03.

# Editor's Report

Gosh, where have the last three months gone. We seemed to have just finished the last magazine and here we are again. It **has** been a busy time what with the National, Snow Dog Match and our Open Show in Taupo. Both the National and shows in Taupo brought together the North and South. Great for meeting new people and renewing old acquaintances. I have included the National, The Samoyed Club Open, DSC Championship and APSA Open show results within this magazine. Congratulations to all winners.

Bit short on articles this issue. Due to all the shows in the last 3 months, have decided to give results and they have taken up a lot of room. Talking about articles, anyone wanting to contribute, feel free. I am more than happy to receive them. Also don't forget to send me your show, obedience and agility results. I get a lot of results through ANZSAMS but will have to be forgiven if I have left anyone out and they haven't been sent to me.

The busy Committee has already started planning 2003 with our Championship Show coming up on Queens Birthday Weekend. Don't forget to mark this one on your calender. It will be the first championship show in a few years for The Samoyed Club Inc and it would be great to see a large number of entries.

Don't forget your Sam with summer coming up. I have reprinted a few summer tips from the internet to help you and your Sammie get through those long, hot summer months (that's if we get a summer, of course).

See you all in 2003. Have a safe holiday season.

# SEI Points System

- Points for the Of Year awards will only be awarded for All Breed Championship shows that:
  - offer In Show awards for Baby Puppy, Puppy, Junior, Intermediate, NZ Bred and Open; and
  - are held in New Zealand.
- Points will only be awarded to dogs/bitches that are owned by financial members of The Samoyed Club Inc. Membership fees for the year must have been paid prior to breed judging for points to be awarded for the show results. If a dog/bitch is in multi ownership, all parties must be financial members of The Samoyed Club Inc.
- Points are not cumulative and will be awarded for the highest placing / award achieved by the dog / bitch in each category of the Of Year awards as appropriate.
- Each claimant for points is responsible for advising the Points Steward of the show results for which they are claiming points and must not rely on others. The Points Steward may use show results displayed on ANZSAMS once verified by another exhibitor at the show.
- Show results must be received by the Points Steward (electronically or by post) no later than one month after the show.
- Show results must be complete and correct. To be complete the show results must include the:
  - name of the show
  - date of the show
  - names of the group and in show judges as appropriate
  - names of all dogs/bitches exhibited
  - placings (including non placings) / awards of all dogs/bitches exhibited
  - Group and In Show wins as appropriate
  - Scratchings
  - Sire / Dam as appropriate
- The point's year will run from 1<sup>st</sup> January to 31<sup>st</sup> December.
- Of Year awards will be offered annually for best of breed classes for each sex (best baby puppy dog, best baby puppy bitch, best puppy dog, best puppy bitch, best junior dog, best junior bitch, best intermediate dog, best intermediate bitch, best NZ bred dog, best NZ bred bitch, best open dog and best open bitch), best dog, best bitch, best brood bitch, best stud dog, best representation, best bitch representative and best baby puppy representative.

I'm not sure whether the points system needs a little bit of adjusting or whether it was just the sheer number of Siberians, that outnumbered both the Alaskan Malamute's and the Samoyed's on the day! However I feel that all of the breeds were winners.

Thank-you to everyone who came along, the Match was a lot of fun and I hope that you all enjoyed your afternoon. Hopefully we can have a rematch next year. And remember that at the end of the day, whether you win or lose, YOU always take home the BEST dog/s, "Your dog/s."

Heather Wald  
Snow Dog Match Co-ordinator

Many thanks to Heather (Central Territories Siberian Husky Club) for the Snow Dog Match Results.

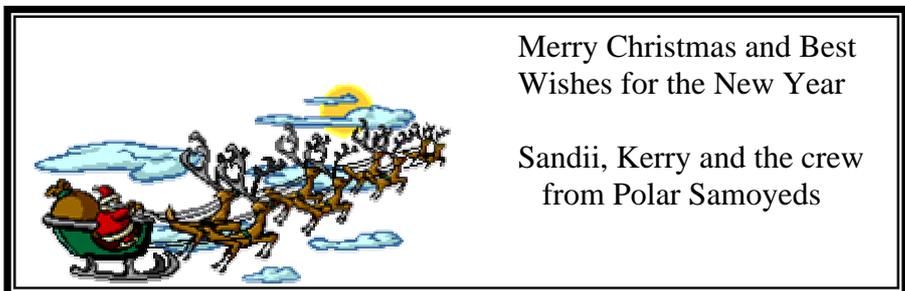

For those who don't know, the Club along with the Siberian Husky and Alaskan Malamute clubs held a Snow Dog Match Day on Saturday 16 November at Kapi Mana Kennel Assn grounds.

We were extremely lucky the sun showed its head through the clouds and it didn't start raining again until we were heading home. It was great to see members of the club supporting local events and it was lovely to meet their Sammies. There were the experienced show persons and of course the novices, a vast range of people and dogs, an overwhelming chorus of Sibs baying, Mals howling and Sams woohooing.

Best of Match was my boy Kael. We were lucky to take Best of Match over the lovely looking Malamute bitch Kazla, who went Reserve of Match. It was great to get to know new members and members of the other clubs over sausages and tomato sauce once the showing was finished.

Thanks to the organisers, judge, steward and to the people who cooked the sausage sizzle after the Match. All in all a great day was had by one and all. See you next year!!!!

### **Ribbons**

***Once, she brought me ribbons, in colours wine and gold  
A promise of the future, sweet victory untold.  
Ribbons, that we hung with pride, near portraits in the hall  
Believing then, in miracles, that we could have it all.***

***Those ribbons now, lie meaningless, tied neatly in a bow  
A lesson learned, that loves the prize, and not who wins the show!  
Because ribbons are for ponytails, and gifts under the tree  
And love cannot be measured, by a group one, two or three.***

*Vegas was our first Samoyed and we are honoured to have co-owned  
her and to have shared a big part of her life.*

***May your children carry your spirit!***

No tree was allowed to have bark, let alone foliage. All low flying birds, were potential KFC. A natural water diviner, always found the pipes underground to the house. A great believer in show and tell. She was a creative landscaper, Maggie Barry would have been impressed, spectacular water features! But the quiet times on our laps snuggled up in the rocking chair, made her so easy to forgive. All the Chow Chows ignored her antics and the Newfoundland was her personal tug rope. Vegas was always into grand standing and insisted on being leader of the pack. Stephen's baby and Kaye's headache but always loved and never forgotten.

*Jo-Anne, we wish we could take your pain away, but I think we are all so lucky to have  
been able to have shared her life, no matter how bitter-sweet!*

***Thankyou Kimchatka for sharing Vegas with us***

# The Samoyed in Print

Books are very often the first point of contact for potential dog owners and in this context the breed is well served. Almost without exception, any general dog book which lists dog breeds will list the Samoyed and, because the breed is so photogenic, very often a photograph will accompany the text. Those readers wanting to learn more about the breed will find there are books catering to virtually every aspect of Samoyed ownership, breeding, care, history, grooming, management, pedigrees and even cartoons.

Recording the history of the breed for posterity is essential and provides the most readily available link with the breeders of the past and their dogs. By comparing today's dogs with those of yesteryear breeders can assess the breed's progress, or lack of it, and this can stir them to new heights of ambition.

Some of the books listed are out of print but can be located in public libraries, while others are available direct from their publishers, from breed clubs or from second hand bookshops. For instance a second hand bookshop in Wellington currently has both editions of The Samoyed (New Zealand) available (incidentally, the previous owner of one of these was Betty Young – breeders/exhibitors from the 1970s will recall the name). The internet is a great source for second hand book sellers and online auctions such as eBay and Yahoo often have second hand or remainder books listed at reasonable prices.

### **How to Photograph Your Puppy**

- Remove film from box and load camera.
- Remove film box from puppy's mouth and throw  
in trash.
- Remove puppy from trash and brush coffee  
grounds from muzzle.
- Choose a suitable background for photo.
- Mount camera on tripod, check flash and focus.
- Find puppy and take dirty sock from mouth.
- Place puppy in pre-focused spot and return to  
camera.
- Forget about spot and crawl after puppy on  
knees.
- Focus with one hand while fending off puppy with  
other hand.
- Get tissue and clean nose print from lens.
- Put cat outside and put peroxide on the scratch  
on puppy's nose.
- Put magazines back on coffee table.
- Try to get puppy's attention by squeaking toy  
over your head.
- Replace your glasses and check camera for  
damage.
- Jump up in time to grab puppy by scruff of neck  
and say "No, no outside!"
- Call spouse to help clean up the mess.
- Fix a drink.
- Sit back in chair, put your feet up, sip your drink

**Seasons Greetings  
and a  
Happy New Year**

**from Simeon**

"No dog is so sad that he cannot wag his tail."  
*Proverb*

"Dogs that bark at a distance bite not at hand".  
*Proverb*

"The dog was created specifically for children.  
He is the God of frolic".  
*Henry Ward Beecher,  
Proverbs from Plymouth Pulpit*

Deep within Samoyed souls,  
is a passion that smolders  
like coals. When our  
northern hearts call, we  
can't struggle at all. We  
give in. We go out. We dig  
holes.

**A little something to help those that over-indulge during the Holiday Season:**

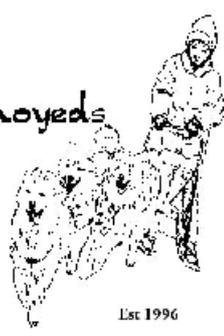

Symptom	Fault	Action
Feet cold and wet	Glass being held at incorrect angle	Rotate glass so that open end points toward ceiling
Feet warm and wet	Improper bladder control	Stand next to the nearest dog, complain about house training
Drink unusually pale and tasteless	Glass empty	Get someone to buy you another drink
Opposite wall covered with fluorescent lights	You have fallen over backward	Have yourself leashed to the bar
Mouth contains cigarette butts	You have fallen forward	See above
Alcohol tasteless, front of your shirt is wet	Mouth not open or glass applied to wrong part of face	Retire to restroom, practice in mirror
Floor blurred	You are looking through the bottom of empty glass	Get someone to buy you another drink
Floor moving	You are being carried out	Find out if you are being taken to another bar
Taxi suddenly takes on colourful aspect and textures	Alcohol consumption has exceeded personal limitation	Cover mouth
Everyone looks up to you and smiles	You are dancing on the table	Fall on somebody cushy-looking
