## Editorial

Hi

I'm Mr Dickens. I'm the new editor of the Sleigh Courier. You may have heard of my great great granddog Charles Dickens. Actually I'm kidding. He's no relation but people wrongly think I'm named after him.

Anyway I have to tell you I'm too busy chewing things to edit this mag. (By the way the paper you use for this thing tastes terrible. The quality needs upgrading fast.) So I've got this bloke Clive to do all the work. He's had Samoyeds for, oooh I don't know, probably since my ancestors were dognaped from the Arctic Circle back at the beginning of last century. I know he had Arthur in the 1980s. I've seen a photo from then. They both had big hair which I'm told was the fashion, but he doesn't any longer. Then there was Artoo and now me. I reckon I'll be the last of the line because you can't improve on perfection.

Have to go. I live with two cats and it's time for their catercise session. I have to chase them down the hall and across the deck. Missy's a bit plump but I'll get her down to a size where she doesn't get stuck in the railings.

Hope the mag gives you paws for thought.

By the way, the chick on my left is Daisy. She's a border terrier and as bossy as hell so I call her the border terror...but not to her face.

Mr Dickens

## NEW COMMITTEE MEMBER CHANTELLE POWER

Hi there! I have recently been accepted into The Samoyed Club committee, and would like to take a moment to introduce myself!

My name is Chantelle (Telly) and I live in Rolleston, Canterbury with my husband Mike and my two children, Cameron (9) and Sarah (6).

We adopted nearly 18 month old Nina in September 2012 off the wonderful Anita from Sunshine Samoyeds and very quickly became part of the family.

She recently spent seven weeks at Anita's house while we were between homes and moving, I have to say, every member of the family pined for her until we picked her up! I have proudly shown Nina trice, and have caught the show bug! The children love it also—especially getting Nina looking just gorgeous for the ring!

Please feel free to pop in if you're travelling through with your Samoyed, Nina would love to have a wee playmate, even for a little bit! So don't hesitate to contact me: [tellypower@gmail.com](mailto:tellypower@gmail.com)

## NEW COMMITTEE MEMBER DEIRDRE DOYLE

I came to the world of Samoyeds through my other half, Clive. Twenty mumble years ago, I met Clive and he just happened to have a Samoyed called Arthur. Well, Arthur jumped into the back of my little Mini and I could not extract him and as they say, the rest is history!

Since then, we had Artoo, a gorgeous Zaminka boy who was a Wadestown icon, although we did not discover just how widespread he lavished his affections until he died in November 2011. I never grew up with dogs so Artoo was my first dog and it is his photo below.

I got involved in the Samoyed Club primarily through helping Anita with some rescue Samoyeds that needed grooming and it has evolved from there. Currently, I print the newsletter and am also working on the new website.

Mr Dickens and I volunteered for the November Pet Expo and it was truly fantastic to see how exhausted he was by the end of the day. One thing I did notice at the Pet Expo was that a lot of other participants had very nice pop-up banners and when a deal came up for a pop-up banner on TreatMe I pounced! Lynne Barr and Anita have to take credit for the finished product which is displayed in this issue and hopefully everyone will enjoy its first outing at the upcoming Open and Championship shows, Deirdre

## Judges Resume

### Carmen Navarro

Best in Show judge, specialist judge in Samoyed, Alaskan Malamute, Siberian Husky, American Akita and Akita Inu.

International FCI judge for:

\*IV Group (complete);

\*VIII Group (complete);

\*IX Group (complete);

\*X Group (complete);

\*V Group : Akita Inu, American Akita, Alaskan Malamute, Samoyed, Siberian Husky, Deutscher Spitz, Ibizan Warren Hound.

I am a Technical Engineer in Fashion Design and Industrial Pattern, graduating in both disciplines in 1979.

My husband and I are breeders, exhibitors, judges and partners of the RSCE and different Breed Clubs.

We started breeding and showing selective Nordic breeds in 1985 and believe exposing our dogs at shows is a fundamental part of good Canine breeding where we think it shows a job well done.

Always central to our breeding program is the welfare of our dogs.

For many years we have made significant efforts regarding imports of dogs in ensure the best results.

We are dedicated to the great dream to the breeding the best of breeds: Samoyed, Alaskan Malamute, Siberian Husky and American Akita.

We currently only have Samoyeds at home - the others are no longer with us but they are never erased from our memories and they still remain the stars of our life.

Our breeding dogs/property have achieved more than 180 championship titles in the European and American continents so far, getting outstanding success.

## Judges Resume—continued

Our kennel "DE VILLAODON" is the prefix of the most championship titles obtained with the Samoyed breed in our country and in Europe and is one of the most recognised names worldwide - it makes us proud!

Our passion for the breed has always been about the correct Samoyed breed - healthy, with a lovely temperament .

The temperament of our breeding Samoyeds is such that some have a Therapeutic Diploma to visit both children with behavioural issues and the elderly in hospitals - certainly worthy of mention.

Our two daughters, Barbara and Carmen, have always helped in training, preparation and handling of all our dogs for over 25 year and have gained great experience in virtually every field of modern Cinofilia.

Our daughter Carmen in her youth represented Spain in Junior Handler at Crufts, She now is a judge at dog shows.

I served as President of the Spanish Club Nordic Breeds and Akita Inu for two years in addition to eight years of holding various positions of responsibility within the club during which time, testing for major diseases such as hip dysplasia and eye disease were made official.

I've had the honour of being tried in many National and International Exhibitions in Spain, Portugal, Germany, Finland, Russia, Peru, Italy, Poland, Croatia, New Zealand, USA, Ireland, Belarus etc.

I have also had the opportunity and have taken great satisfaction to judge monographic specialised breeds in different countries such as Dachshund, Labrador Retriever, Golden Retriever, Spanish Water Dog, Alaskan Malamute, Samoyed, Siberian Husky, Akita Inu, Akita American, Iris Wolfhound, American Cocker, Cocker Spaniel, Springer Spaniel Inglés, Cao de Agua Portugues, Cavalier King Charles Spaniels, Poodles, King Charles Spaniels and more.

In the coming months I will be judging in Spain, France, Finland, New Zealand, Serbia, Mexico and Argentina.

We have also participated with our dogs in many TV programs, for education and dissemination of the breeds.

We also have published The Great Book of Nordic dogs, publisher Tikal.

# Sammie Fun Walk 26 January 2013

A great day was had by all. The weather was perfect—sunny, calm and blue sky.

We walked up the beach by the tide line and returned on the walk through the dunes.

Back at the cars we had a leisurely picnic.

Summer in Wellington. Just great.

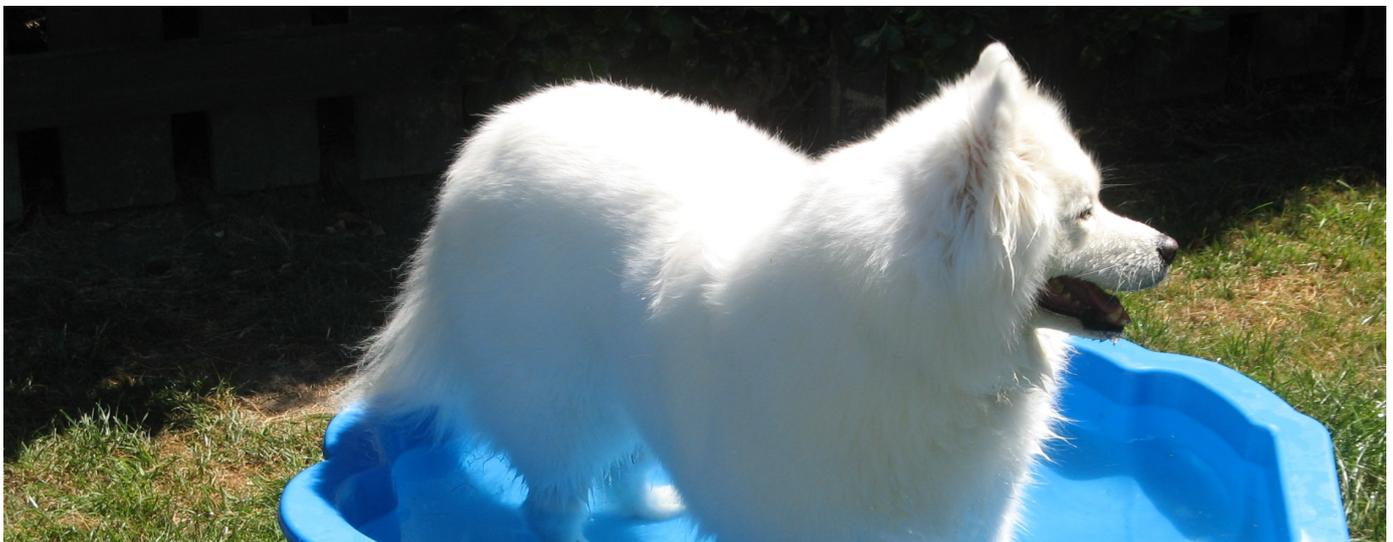

And now, the long walk home .....

Can someone please explain why the way back is always up-hill?

## Championship and Open Show Information

### SHOW DAY FORMAT

We hope to have the doors open by 7.00am on Friday, 31 May so that we can set up the tables and be ready for the Open show which is first, followed by a shared lunch and then by the Championship show followed by the annual presentation.

Both shows will be in Ring One. The idea is for the Open show to be in the morning and the Championship in the afternoon. There will be dinner with the Judge that evening. It would be good if you could indicate whether you want to attend the dinner with your entries as we will need to confirm numbers for the dinner booking.

### SPONSORSHIP

If you would like to sponsor the Championship or Open show, please contact Lynne Barr. Sponsorship is important if we are going to continue to provide quality prizes.

The THEME for the Championship show this year is "Grooming"

As well as the prizes, we will also have product sponsorship from "NUTRIENCE" and "RedRocketPet" for the Championship Show and "BUTCH" and "My Beau" for the Open show.

Our thanks to the Sponsors for their very generous support!

### NUTRIENCE BARCODES

To continue supplying the "Nutrience" product, we need to have the barcodes returned from the product that is won. If you are lucky enough to win, please cut off the barcode from the bag and return to Lynne Barr.

### RETURN OF CUPS AND TROPHIES

A call to all those winners from 2012 that the perpetual cups/trophies are now due for return. Please contact Anita directly on either (06) 364 5785 or email her on [k.a.shugg@clear.net.nz](mailto:k.a.shugg@clear.net.nz) to sort out the details—otherwise you may find the 'dog-squad on your doorstep!

Check out the new banner below!

Anyone with Nutrience  
dog food bar codes, please  
remember to keep sending  
them to Lynne and thank  
you to those who regularly  
do.

Remember that you  
need to be a member of  
the Samoyed Club  
before you can claim  
points!

All breeders, please remember to get your new puppy owners to join  
the club. With events like the Fun Days and Sammy Walks, there is  
plenty of ways for everyone to be involved with other members and  
their dogs.
